Single variety packed per case. Inventory is random and suppliers ship varieties according to availability.

RAINBOW CRUNCH CARROT
401076 25#

Well, they certainly are crunchy! With their almost water chestnut-y texture and bright colors, these carrots are a slam dunk for adding color and body to plate presentations. Excellent when Julianned, they retain their big crunch after a quick sauté. No tops, random sized and packed in a 25# bag- these carrots are geared for both high volume and smaller establishments alike.

HYDRO CUCUMBERS (GREEN SKY)
481990 5#

Hydro Cucumbers are a tender variety. Their skin is less thick than regular cukes, thus- they don't always need to be peeled. Their flesh remains just as crisp as you would expect, however you will note the reduction of seeds. With less seeds, you have more yield.

HONEYBELL ORANGE
225101 40#

The SWEETEST and JUICIEST citrus available! These guys are so heavy and so thick with juice, we are not responsible for your dry cleaning bill! Taste one of Florida's greatest gifts, the season is brief!

ORGANIC ORLANDO TANGELOS (UNCLE MATT'S)
102100 20#

The Fallglo Tangerine has a mild, sweet and juicy flavor. The fruit is easy to peel and eat because of the naturally fragmented sections. Please note, stem and leaf is for illustration only.

MICRO CELERY
670002 4 oz.

Tiny, tender leaves of Celery will make a great garnish and add a bit of tasty flavor to your dishes!

RED WATERCRESS
450099 2#

The purplish red streakes coupled with the intense peppery flavor make this a perfect compliment to salads, sandwiches or appetizers. Use as a garnish, or as a main ingredient.
